J. J. LAWRENCE, M. D. - Dear Sir. I cheerfully endorse your Koskoo as being a most valuably preparation. In my opinion, it is the best compound of its class ever put before the public—exceeding by far all the various compounds of sarsaparilla, &c., ever invented. It is a decided Nerve Touic, and Invigorator of the animal forces, aiding digestion and assimilation, and thereby producing healthy blood, which should be the basis of treatment in all chronic diseases.
